BRK®

INNOVATIVE DESIGN EASY INSTALLATION

Meet the next generation of BRK® smoke and carbon monoxide alarms

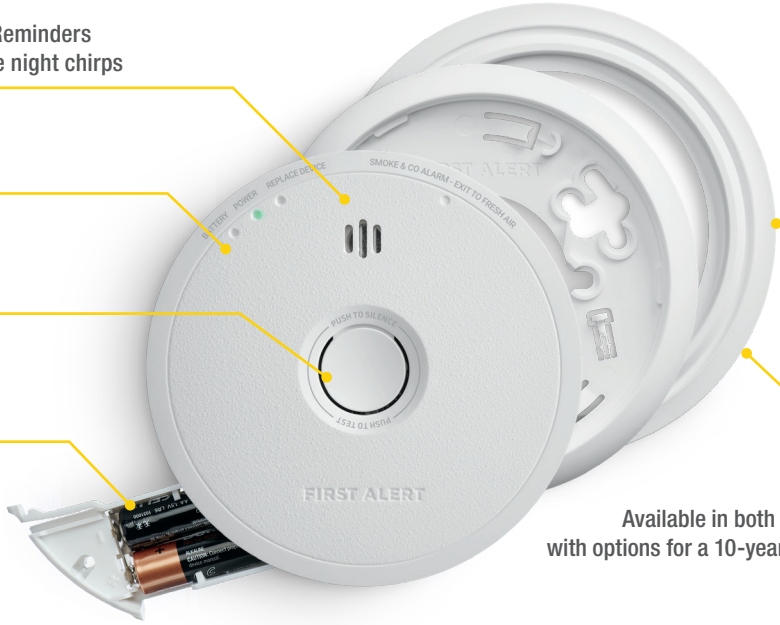
The new BRK smoke and carbon monoxide (CO) alarms are built for simplicity—offering easier installation for pros and effortless operation for end-users, all backed by reliable, high-performance detection.

SoftCue™ Replacement Reminders to minimize middle of the night chirps

LED indicators for faster diagnostics

Large, easily accessible test button

Side-mount battery drawer and AA batteries for easy replacement*



Optional trim ring included to minimize touchups

Same wiring harness as older BRK alarms and wide-opening bracket to simplify installations

Available in both hardwired and battery-powered models, with options for a 10-year sealed battery or a replaceable battery.

* Not applicable for 10-year sealed battery alarms.
